

Persistent Organic Compounds (POPs) Compliance Declaration

27 February 2025

All LDX Optronics Inc products are in compliance to Regulation (EU) No. 2019/1021 of the European Parliament and the Council of 20 June 2019 on Persistent Organic Pollutants (POPs), including EU POPs amendments (EU) 2024/2555 and (EU) 2024/2570 issued in September 2024.

To the best of our knowledge, LDX Optronics does not manufacture, produce or use products that are on the list of Persistent Organic Pollutants.

We will continue to follow the updates of the POPs regulation and ensure the conformity of our products into the future.
