

REACH Declaration of Conformity

15 January 2025

All LDX Optronics Inc products are in compliance to Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Specifically, LDX Optronics Inc products do not contain more than 0.1% of the Substances of Very High Concern (SVHC) as defined in Article 57 and Annex XIV, and in Article 67 and Annex XVII, including all amendments.

As of the date of this letter, there are 241 substances on the SVHC list, per the latest REACH revision in June 2024. None of these are present in meaningful quantities in any LDX Optronics products. Also no PFASs (proposed for regulation) are contained in our products.

We shall monitor all changes to this Directive and Annexes XIV and XVII, and ensure that our products continue to be compliant with all future REACH requirements and amendments.
